Anyone desiring to protest the changed rates and charges must do so, in writing, within ten days after the date of publication of this notice. All protests should be addressed to the Executive Secretary, Public Service Commission of West Virginia, P.O. Box 812, Charleston, West Virginia 25323. To help the Commission determine the justification for additional review and investigation, protests must be specific as to reasons that the changed rates and charges should not be modified. In addition, anyone desiring a hearing in this matter must request a hearing in the letter of protest. Hearing will be held, if the commission receives substantial protest, but is not automatically held.
