

Notice for Public Comment on Community Impact Statement

The public is invited to submit written comments and other documentation to the West Virginia Office of Coalfield Community Development (OCCD) on the planned surface mining operations and how their communities are anticipated to be affected and the intended post mining land use, as provided for by Chapter 5B, Article 2A, West Virginia Code and Title 145, Series 8, Code of State Regulations.

Name of Permit Applicant or Permittee: South Fork Coal Company, LLC

Name of Surface Mine: Rocky Run Surface Mine

SMA number: S-3012-19

Type of Permitting Action: Application for new surface mining permit

County: Greenbrier

District: Falling Spring

USGS Quadrangle: Trout

Latitude: 38° 09' 49.4"

Longitude: 80° 24' 49.4"

Surface acres affected: 1122

Expected duration of mining operation (years): 13

A community Impact Statement describing the impact of the above surface mining operation on the surrounding area and proposed post-mining land uses has been field and is available for inspection in the OCCD and at the following locations:

WVDEP Office of Mining and Reclamation	1159 Nick Rahall Greenway Fayetteville, WV 25840	304-574-4465
Greenbrier County Planning Commission	Greenbrier County Courthouse 200 N. Court Street Lewisburg, WV 24901	304-647-6687
Region IV Planning and Development Council	500 B Main Street Summersville, WV 26651	304-872-4970
Greenbrier County Clerk's Office	Greenbrier County Courthouse 200 N. Court Street Lewisburg, WV 24901	304-647-6602
Greenbrier County Public Library	152 Robert West McCormick Drive Lewisburg, WV 24901	304-647-7568
Greenbrier Valley Economic Development Corporation	804 Industrial Park Road Maxwelton, WV 24957	304-497-4300

The Community Impact Statement will serve as the basis for the preparation by the county development authority of a land use master plan. The Statement will identify surface mining impacts on the surrounding area, area infrastructure as well as land development needs relating to economic development, post-mining land and infrastructure assets that may be available to satisfy these needs.

The public is invited to submit written comments and other documentation to the OCCD within 30 days of the date of this notice concerning how their communities are anticipated to be affected by the above surface mining operation and the intended post-mining land use.

After the close of the public comment period, the comments will be delivered to the development authority and assist in the incorporation into the county land use master plan.

All comments and questions should be directed to the following:
