

MOUNTAINEER GAS COMPANY, a public utility,
 Charleston, Kanawha County.

Surcharge on Infrastructure Improvements.

NOTICE OF FILING AND HEARING

On July 30, 2021, Mountaineer Gas Company (Mountaineer) filed its annual Application for approval of an Infrastructure Replacement and Expansion Program for 2022 (2022 IREP) with revised IREP rates for 2022, pursuant to W. Va. Code § 24-2-1k, which authorizes the Public Service Commission of West Virginia to approve cost recovery of projects to replace, upgrade and expand natural gas utility infrastructure that are deemed to be just and reasonable and in the public interest.

In its Application, Mountaineer forecasts capital investment for calendar year 2022 of \$56.3 million as part of its multi-year plan. The 2022 IREP covers several categories of plant asset replacements and improvements, including mains, service lines, measurement and regulator stations, and house regulators. These plant investments are proposed to be made in Mountaineer service territories throughout the State. These investments are identified in the Application, which is on file and available for public inspection at the Commission's offices at 201 Brooks Street, Charleston, West Virginia and which may be viewed on the Commission's website, www.psc.state.wv.us.

Mountaineer proposes to recover costs associated with these investments through an additional increment within the fixed or volumetric base rate component of its rates, depending on the applicable rate schedule under which service is rendered, to be effective on January 1, 2022. Mountaineer projects that if the program and rate increase are approved as requested, the average monthly bill for its various classes of customers will be changed on January 1, 2022 as follows:

Mountaineer Gas Proposed		
Type of Customer	\$Increase	%Increase
Residential	\$ 1.68	2.70%
Commercial	\$ 4.80	1.94%
Large Commercial (*)	\$ 170.84	0.35%
Industrial (*)	\$ 326.00	0.88%
Resale	\$ 51.60	1.60%
(*) Increases for Large Commercial and Industrial customers assume transport customers purchase their natural gas at the same price as Mountaineer's Purchased Gas Adjustment rate.		

The increases shown above are compared to the rates currently in place and are based on averages of all customers in the indicated class. Each class may receive an increase greater or less than stated here. Individual customers may receive increases that are greater or less than average. Furthermore, the requested rates and charges are only a proposal and are subject to change (increase or decrease) by the Public Service Commission in its review of this filing. Any increase in rates and charges will not become effective until authorized and approved by the Public Service Commission.

The Commission set a procedural schedule, including a hearing date on the Application, if necessary, that will begin at 9:30 a.m. on November 18, 2021 and continue into November 19, 2021 if necessary, in the Howard M. Cunningham Hearing Room at the Commission's offices at 201 Brooks Street, Charleston, West Virginia.
